

# WATER. INFRASTRUCTURE. YOUR MONEY.

## ROLLINSFORD WATER & SEWER DISTRICT FORUM

 **THURSDAY, MARCH 5**

 **6:00 PM – 8:00 PM**

 **ROLLINSFORD PUBLIC LIBRARY**

### THE FUTURE OF OUR WATER SYSTEM STARTS HERE.

Major planning is underway to protect the **LONG-TERM FINANCIAL HEALTH & SUSTAINABILITY** of Rollinsford's Water & Sewer District.

We've partnered with engineers, consultants, vendors & N.H. Dept. of Environmental Services to build a responsible long-range strategy.

**NOW WE WANT TO SHARE IT WITH YOU.**

### WHAT'S CHANGING?

- ✓ STRATEGIC ASSET MANAGEMENT
- ✓ LONG-TERM BORROWING PLAN
- ✓ ADVANCED METERING INFRASTRUCTURE (AMI)
- ✓ MODERN BILLING & FINANCIAL PLANNING TOOLS

### WHAT YOU'LL LEARN

- ◆ Where the District stands financially
- ◆ What infrastructure investments are ahead
- ◆ Borrowing options under consideration
- ◆ Regulatory changes – and what they mean for rates

### EXPERT PANEL

Dave Fox – Financial Management Consultant  
Heather Hennigan – NH Dept. of Environmental Services  
Raymond McNeil – Utilities Director  
Madden Brener – RCap Consultants  
Chris Berg – Environmental Engineering Consultant  
Liam Flahert – EJP

**YOUR QUESTIONS MATTER.  
YOUR VOICE MATTERS.  
YOUR WATER MATTERS.**
